WHITEMAN PARK

VARIED RECREATION.

Open from 8.30am to 6pm every day of the year.

The large map above shows the locations of each of the Park's facilities and many attractions.

Other 'What's On?' information and attraction and ride times are available at the Visitor Information Centre or by visiting www.whitemanpark.com

The Village - our recreational heart.

This delightful centre of activity includes Revolutions - the transport heritage exhibition, the Tractor Museum, the huge Motor Museum of Western Australia, our licensed Café, the Print Shop, Community Arts Centre, and the Visitor Information Centre. The tram and train rides depart from here.

Mussel Pool - a favourite picnic destination.

This delightful area, fringed by shady trees, is an idyllic picnic spot which includes a cricket oval and pitch on which games can be played, provided only a tennis ball is used.

Mussel Pool is also the venue for our popular Summer Saturday evening bush dances.

Travel back in time by rail or tram.

Whiteman Park can provide you with a rare opportunity to travel on the State's only operational vintage electric tramway.

Or you can experience the Bennett Brook Railway's trains and heritage buildings.

We have several wonderful shaded playgrounds.

In addition to the water playground and main village playgrounds, there are play facilities at Mussel Pool East.

Choose from almost 45 barbecue sites.

There are over 16 hectares of lovely picnic areas here.

All barbecues are \$1 coin operated. Each coin operates for approx 10mins.

Twenty-five picnic shelters are marked clearly on the map. Picnic shelters are available for hire. Please call 9209 6000 for further information.

Café food or fully catered functions.

Enjoy a wide selection of delicious meals and take-away treats from our licensed Café.

Catering for family picnics, birthday parties, weddings and corporate events can be arranged by calling 9249 3552.

Wonderful Education Programs.

We can even provide curriculum-based Education Programs and in-service courses for teachers.

To find out about The Children's Forest, and the wide range of other excellent events and programs we run, visit www.whitemanpark.com or call 9209 6000.

Free tennis, basketball, volleyball and cricket.

The courts are shown clearly on the map.

All the equipment you need is available for hire or free loan.

There's also a full cricket pitch at Mussel Pool.

Bike/walk paths and bush trails.

Enjoy discovering the flora and fauna of the Swan Coastal Plains as you explore our bush trails or walk/cycle along the fourteen kilometres of paths, which wind through the bush and farmland.
